A WORD FROM OUR DIRECTOR

Hard to believe what this year has brought upon us...

I am thankful for the support that we have received throughout the season during COVID-19. I know our future will be changed forever and I am proud of our staff and district for understanding our PURPOSE during unprecedented times like these.

We have prepared, re-organized, re-developed, postponed and tried our best to extend a connection in some way to our residents and local communities. We are praying that your families have stayed safe throughout the covid crisis and that our communities are stronger for it.

The Staff and Commissioners will continue to work diligently to provide our community the best in its services. Coming this fall, we are launching a new website as well as hosting our popular events including the Youth Obstacle Course Race, 2-Club Turkey Shoot, and Harvest Hayride. Be prepared for some winter favorites like Polar Express, Breakfast with Santa, and our famous Sweetheart Ball events.

If you live within the boundaries of Salt Creek, you can review the Reciprocal Agreements with our surrounding districts on page 50 and take advantage of more program offerings. We also have a partnership with Northwest Special Recreation Association, which provides specialized services for individuals with disabilities.

Visit www.saltcreekpd.com and join our E-news family. You'll be sure to get the latest on programs and events throughout the year.

We're A Fun Place to Play!

Respectfully,
Diane Hilgers, CPRP
Director of Parks & Recreation

CORONAVIRUS/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contaigious and is believed to spread mainly from person-to-person contact. As a result, federal, state and local goverments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of people.

Salt Creek Park District has put in place preventitive measures such as cleaning, disinfecting and sanitizing surfaces in all high traffic areas and program spaces to reduce the spread of COVID-19. Masks will be required to be worn by participants inside our facilities and if social distancing can't be maintained. We are also following recommendations and guidelines set forth by the CDC. Our ratios and group gathering numbers are subject to change depending upon which stage we move into.

We are asking our community to also do their part to reduce the spread of COVID-19 by not attending a program or event if you are feeling ill or have any COVID-19 related symptoms (sore throat, headache, fever of 100.4 or higher, cough, muscle aches, chills, difficulty breathing). Please wash your hands frequently and wear a mask as you enter and exit all of our facilities.

PARK DISTRICT RESIDENTS

Who is a Salt Creek Rural Park District resident?

If your place of residence falls within Park Boundaries, a portion of your (or your landlord's) real estate taxes goes to that park district. In exchange, you may receive a discounted price for Park District programs or use of facilities.

If you reside in an unincorporated area and pay no Park District taxes, you are considered a non-resident at all Park Districts. Your tax bill and your voter's registration card indicate which, if any, park district receives tax dollars from you.

The Salt Creek Rural Park District has a reciprocal agreement with Arlington Heights, Rolling Meadows and Palatine Park Districts. Since the Salt Creek Rural Park District does not offer swimming programs, cultural arts programs, ice skating, gymnastics and a selection of other programs, we have sought out other districts to supplement our recreational offerings to you.

Residents of the Salt Creek Park District may use their resident I.D. cards to gain access to different activities at the Arlington Heights, Palatine and Rolling Meadows Park Districts. In order to take advantage of these reciprocal agreements, Salt Creek residents must obtain a Salt Creek Park District I.D. for $4 at the Twin Lakes Recreation Area.

What do we love the most about this community? The people we share it with! That's why we support the families here, the local businesses, and the charitable organizations, too. Instead of just providing banking solutions, we also take pride in giving back to the people who work to make this area so great. Why? Because this isn't just home to us; it's home to all of us. And, as a true community bank, we know that when we all do our part, we can help make Palatine better for everyone.
