# **PLAY BETTER GOLF ACADEMY**

AT

## **TWIN LAKES GOLF COURSE**

The Play Better Golf Academy staff headed by Chuck Lynch, PGA Professional and former Illinois PGA Teacher of the Year, will be teaching the golf program at Twin Lakes. In his 35 year career Chuck has taught everyone from beginners to fellow PGA members, young juniors to senior adult, both men and women. Chuck has chosen his staff to maximize their experience and give the Twin Lakes golfer the benefit of that experience.

### **Teaching Philosophy**

Golf is a game for everyone. Learning is a process. Always treat each student as an individual, and allow them to learn at their own pace. Mastery of the fundamentals will give the student a lifetime of enjoyment. Teaching is tailored to give the student the best opportunity to excel whether in a group setting or in a one on one private lesson.

While every golf swing is different, every successful golfer will create the correct impact position with their individual swing. But the fundamentals of a good golf swing are the same for every player whether they are 5 or 55. The Play Better Golf Academy staff will train each student in the correct fundamentals so that their swing will deliver the club head to the ball and produce the desired shot.

### **Teaching Methodology**

At Play Better Golf Academy our PGA Professionals teach the game the way that it is played on the golf course. Every situation on the course is different and requires a specific shot. The Play Better Golf student learns to use their individual swing to create the shot that is required.

### **What to expect from a lesson at the Play Better Golf Academy**

- Easy communication with the instructor
  - An organized teaching style
- An explanation of how you can best implement the fundamentals of the swing
  - A plan to integrate the fundamentals into your swing
